

Omni Seed Tray Model OMT

No tools needed!

Connect the **Omni Seed Tray (OMT)** to the feeder base with the threaded black plug (included).

Substitute a **Wing Nut (WN)** for the black plug for easier tray removal.

Use a **Pole Adapter (ADPT)** to attach the **Omni Seed Tray (OMT)** and pole mount the feeder.

Use a **Suet Link (SL)**, to attach the **Omni Seed Tray (OMT)** and hang suet beneath.

- **10.5" diameter tray attracts a wide variety, including ground-feeders.**
- **Catches spilled seed.**
- **Quality UV stabilized polycarbonate construction for durability.**
- **Attaches directly to Droll Yankees Classic, *Original Onyx* Clever Clean, New Generation®, Ring Pull, and Bird Lovers® feeders.**

This Droll Yankees product complies with the quality standards established by the Wild Bird Feeding Industry.
